Building Tomorrow Today

ABOUT US

Mutheo Mathomo Business Enterprise's range of teaching and learning materials have been carefully selected. cognitive, mathematical and language development for the pre-grade R, grade R and Foundation phase learners.

Perceptual development is the ability to perceive commonalities and differences between object features such as weight, texture, sound and rigidity.

OUR FOCUS

Our very distinct focus is on Early Childhood Development (ECD) including Grade R. Our educational resources are carefully selected to align with the Department of Education's CAPS Curriculum which lays out the basic requirements for Language, Mathematics, and the various components of Life Skill development such as the Creative Arts, Physical Education and Fantasy/Pretend Play. We are here to assist and supply you with educational products and resources that will provide a well-rounded "learning by play" experience for your children.

OUR CLIENTS

Our customer base extends across South Africa going beyond, into homes, schools, playgroups as well as into the rooms of occupational and play therapists. Among our customers are parents, crèches, nursery schools, kindergartens and preschools.

High quality kids goodies at affordable prices with exceptional service!!!
